

# OneBoard®

Quad User Interactive Whiteboard

The image displays the OneBoard interactive whiteboard and a Microsoft Excel spreadsheet. The whiteboard has a grey frame and a white surface. Handwritten text in green marker is visible on the whiteboard, including 'Projection Gray', three bullet points ('\* Now with quad-user support', '\* optional wireless available', '\* Windows and Mac\* compatible!'), and a small 'Off White' label. The Microsoft Excel window shows a table of data for 'Division Budget' with a pie chart to its right. A red arrow points from the whiteboard text 'optional wireless available' to the 'AutoSum' button in the Excel ribbon. A red circle highlights the 'AutoSum' button in the ribbon. The Excel window has a blue sidebar on the right with various icons. The table data is as follows:

Item	January	February	March	April	June	July	Column

### OneBoard® Quad User Interactive Whiteboard

- Your OneBoard® for interactivity, dry erase, projection, and magnetic displays that will last a lifetime. Combine the utility of a porcelain surface whiteboard with the power of a computer and digital projector for a full interactive experience with vivid images, video and audio.
- Mouse and keyboard emulation allows you to control the computer almost exclusively from the OneBoard®. Software enables the board to act as a human input device (HID). Write, draw, and move objects with just your finger!
- Now supports up to four users at once! True multiuser support requires no separate multiuser mode setting to instantly make your presentation more interactive. Supports multiuser writing and common multi-touch gestures currently recognized in Microsoft Windows 7.
- Open architecture. No need to tie yourself to a particular software platform.
- Porcelain steel can be written on with dry erase, semi-permanent, water-soluble, or permanent markers, pens, or crayons without damaging the surface. Use a dry cloth, eraser, or cleaner to easily remove writing.
- Also available in matte projection gray surface, cutting glare up to 60%. Gray surface requires a wet cloth to completely clean surface (a small amount of ghosting may occur).
- Board comes wireless ready. Optional wireless kit available to enable wireless interaction. Also available packaged with the wireless kit included.
- RoHS compliant. GREENGUARD Indoor Air Quality Certified® and GREENGUARD Children & Schools Certified™. Limited lifetime warranty.

Item	Specification
Digital Board Dimensions	48" H x 67 1/2" W x 1 1/4" D (77" diagonal)
Effective touch screen size	44 3/4" H x 64 1/4" W
Weight	79 lbs
Shipping Dimensions	57" H x 76" W x 8" D
Shipping Weight	175 lbs
Tracking Technology	LED Touch Technology
Mouse Feature	Yes
Touch Sensitive	Yes
Intelligent Feature Touch	Yes
Resolution	12800 x 9600
Bundled Software	Interactive Digital Board Software
Computer Interface	USB 2.0
Operating System	Windows 98, ME, 2000, XP, Vista, Windows7, Mac OSX 10.5.8 and greater <sup>1</sup> Mac OSX does not support OneBoard® multiuser modes
CPU	P4 1.7GHz or higher
Hard Drive Space	500 MB
2.4g Wireless Maximum	<0 dBm
Sampling Rate	Up to 120 points/sec
Power Consumption	<250 mA USB powered
Ambient Temperature	14°F to 104°F
Humidity	30-90%

# OneBoard®

Quad User Interactive Whiteboard

The image displays two OneBoard units. The top unit is a Projection Gray model, showing handwritten green text: "# Now with quad-user support", "# optional wireless available", and "# Windows and Mac\* compatible!". The bottom unit is an Off White model, showing a digital quiz interface. The interface includes a header with "1 Correct", "1 Attempts", "100%", "00:00:12", and "29 Remaining". The main content area displays a question: "This saying became the rallying cry for Texas independence." with a blue map of Texas. Below the map is a list of four options: "A Remember the Alamo", "B Remember the Battle", "C Remember the War", and "D Remember Gettysburg". To the right of the content area is a vertical stack of four blue circles labeled A, B, C, and D. A green "HOME" button with an upward arrow is located at the bottom right. A toolbar with various icons is visible at the top right. Two circular callouts are present on the left: a red one labeled "In Stock" and a green one labeled "Limited Lifetime Guarantee".
